

ISABELLA THE CATHOLIC

Queen of Spain, Mother of America

PRAYER

(Private use)

Through the intercession of the Servant of God

O God, our Lord and Father, who have manifested Your providence in the choice of Your servant Isabella as an instrument of Your glory in the Christian dignity of man, in the exaltation of the faith and its extension to the New World.

We thank You for this supernatural gift of her virtues and her lasting example from the heights of the government of peoples for the redemption and salvation of all.

We ask You to deign to perpetuate her intercession in heaven in order to continue her work begun on earth; and to obtain now the special graces and favors that through her we ask of You, in union with Christ our Lord and Mediator, who with You and the Holy Spirit lives and reigns and is God forever and ever. Amen.
